

Lighthorse Technologies, Inc

UFLPA STATEMENT

The UFLPA prohibits the importation of goods made in the Xinjiang Uyghur Autonomous Region of the People's Republic of China ("XUAR") based on the presumption that all goods made in the region are made with forced labor.

The act establishes a rebuttable presumption that goods mined, produced, or manufactured wholly or in part in the XUAR region, or by companies listed on the UFLPA Entity List, are made by forced labour and therefore such goods are barred from entry into the United States under 19 U.S.C. § 1307.

Concerning the requirements of UFLPA, we hereby certify that the products supplied by Lighthorse Technologies Inc are not produced wholly or in part in China's Xinjiang Uyghur Autonomous Region or produced by certain entities which are in the UFLPA entity list.
